

# Superman

Monica

You're my super hero ooh you rock my world  
If you show me how I can be your super girl  
Give you super super love Cause you're super super hot  
Give you more than a little bit Give you everything I've got  
Do you think of me Like I think of you  
Hoping that what I feel is what you're feeling too  
I want too go through a few ways to describe  
just what's in my heart

There is no height that I won't climb  
There is no light that I won't shine  
There is no time that I won't find  
And I'm so glad I found the time tonight

There is no other place that I'd rather be  
There is no other face that I'd rather see  
The way that you do me is somethin like a movie  
Waking up to you is just like waking up to  
Superman  
It's a bird it's a plane it's  
Superman  
I can be your Lois Lane  
Superman  
There aint nothing you can't do  
I Just want to be with you  
And I hope you feel it too You're my  
Superman

It's beating in my heart, It's the shaking in my soul  
Everytime I touch you baby I go  
It's the power of you're love, It's the passion in your kiss  
That I'm always lookin for

There aint no sea that I won't swim  
There aint no void that I can't fill  
And There's no time that I won't find  
and I'm glad I found the time tonight

There is no other place that I'd rather be  
There is no other face that I'd rather see  
The way that you do me is somethin like a movie  
Waking up to you is just like waking up to  
Superman  
It's a bird it's a plane it's  
Superman  
I can be your Lois Lane  
Superman  
There aint nothing you can't do  
I Just want to be with you  
And I hope you feel it too You're my  
Superman

Let me touch the sky Please don't hit the breaks  
Fly me to the moon I want to see heavens gates  
I want to feel what it's like to be with superman  
I'll stay by your side an if you take my hand  
Then there's no dreams that we can't see

And there's no thing that we can't be  
And there's no time that I won't find  
and I'm so glad that I found the time tonight

There is no other place that I'd rather be  
here is no other face that I'd rather see  
The way that you do me is somethin like a movie  
Waking up to you is just like waking up to  
Superman  
It's a bird it's a plane it's  
Superman  
I can be your Lois Lane  
Superman  
There aint nothing you can't do  
I Just want to be with you  
And I hope you feel it too You're my  
Superman
