

Peaches And Cream

Monifah

Baby, you know what I want you to do
I want you to take this one peach
And put it inside me
And taste it so I can cream

Peaches and cream (Oh, like that)
Oh, baby give me some (Wow)
Peaches and cream (Light my body, baby)
Yeah, yeah, yeah, yeah, yeah (Yeah)

I'm in the mood for something sweet and sensual
(Touch me right there)
Sticky love sensational
Soul food sexual (Feed me baby)
Baby, you know what it is
And for real, I'm feeling it (Oh)
I'm hungry for a great big piece of you (Oh)
So now you know what to do (Yeah, give me some)
Give me some

[Chorus: x2]
Peaches and cream
Give that sugar sweet thing
Splash it and spread it around
Baby let your love rain down

I can just taste it
Cause you make it oh so sweet (So sweet)
Feedin' my body and making me cream
It's comin' down so you know I'm ready, baby
As I bear the fruit for you in the garden
Feel the moist petals against your skin (Taste me)
Give me all you got
I lick my lips cause I want to taste every drop
Give me some

[Chorus: x2]

Let it rain
Baby let your love rain down, down, down
Let it rain
Baby let your love rain down, down, down

Let it rain, rain down, give it to me right now
Let it rain, rain down, peaches and cream all over me
