

Don't Touch My Fruit

Monkey Business

Don't touch
Don't touch my fruit
Frank Zappa and his mothers
Won't cut my root

Don't touch
Don't touch my fruit
Frank Zappa and his mothers
Won't cut my root

Have to take a call
It's not record that needs changing
I need it as a cure
And my choices leave you raging

Don't touch
Don't touch my fruit
Frank Zappa and his mothers
Won't cut my root

Don't touch
Don't touch my fruit
Frank Zappa and his mothers
Won't cut my root

Music
It will always be illegal
So I have to say
You need a walker for your beagle
