Fatal Tempo

Monkey Business

Start as punk squat "vielen dank" berlin is easy tresh core and trance getting them to dance 'till they get queasy and now it's time to go slowly hump like rabbit? no no and now it's time to go slowly just don't set up fatal tempo donť chew the head off some tasty bat unless you like it you will repeat shocks that people need always the same skit try slowling down while you still around couting your beats go steady on fast one will be gone see then who leads fatal tempo is when the speed will hurt a lot fatal tempo when more you need than what you got
