

Flanger

Monkey Business

I'm living in danger
I'm fooling with my life
I'm living in danger
Deep feeling in my heart

Turn me on turn me on turn me on turn me on
Take all of me
I mean sexually
Turn me on turn me on turn me on turn me on
Take all of me
I'm in ecstasy

I'm living in danger
I'm stepping over line
And stranger
There is no reason why

Turn me on turn me on turn me on turn me on
Take all of me
I mean sexually
Turn me on turn me on turn me on turn me on
Take all of me
I'm in ecstasy

Let's kick it up - Flanger
Say yeah - Flanger
Let's give it up - Flanger
Let's keep it up - Flanger
Say yeah - Flanger
Let's rip it up - Flanger

I'm loving my flanger
The only friend of mine
I'm flying like angel
The same I'll never find

Turn me on turn me on turn me on turn me on
Take all of me
I mean sexually
Turn me on turn me on turn me on turn me on
Take all of me
I'm in ecstasy

Giving it up
I wanna take you higher
