I'm living in danger I'm fooling with my life I'm living in danger Deep feeling in my heart Turn me on turn me on turn me on Take all of me I mean sexually Turn me on turn me on turn me on Take all of me I'm in ecstasy I'm living in danger I'm stepping over line And stranger There is no reason why Turn me on turn me on turn me on Take all of me I mean sexually Turn me on turn me on turn me on Take all of me I'm in ecstasy Let's kick it up - Flanger Say yeah - Flanger Let's give it up - Flanger Let's keep it up - Flanger Say yeah - Flanger Let's rip it up - Flanger I'm loving my flanger The only friend of mine I'm flying like angel The same I'll never find Turn me on turn me on turn me on Take all of me I mean sexually Turn me on turn me on turn me on Take all of me I'm in ecstasy
