

God Is A Goalie

Monkey Business

God is a goalie
winning the extra time
God is a goalie
What great churches

A ticket to fame
Come to the game
Coach in every street
That is all the kids will need

Setting the score
you will be adored
Just run with the ball
Education is obsolete

God is a goalie
winning the extra time
God is a goalie
The only thing so divine
God is a goalie
What great churches

Cup for the mass
Draw me the pass
on a largest screen that
the world has ever seen
Take it all in
watching the win
and you will believe
Whatever it all may mean
