It's hard to be alone And that is true The village waits for you Village waits for you Waiting for the few Real pros To chase the rats away Chase the rats away Men who know how to score Together now They always shoot to kill Always shoot to kill Let's find out who's the best In danger zone He will stay alive He will stay alive

Solidarnosc Dzienkuje bardzo Solidarnosc Bardzo dzienkuje Byc moze

You like to be alone Just hit the road Leave your friends behind Leave your friends behind To saddle up the horse And ride away Right on track To saddle up the horse But you must turn around And face the heat And feel the pain You must turn around One man who bites the dust He came for gold As he was told What would be his take

Waiting for the Seven
