You're hooking up, but it's bringing you down
It's like you're on.. What? A merry-go round
You're making less of what oughta be more
I wonder why, whatcha doing it for?

I only dance to a mono beat.. mono! I only dance to a mono beat
.. mono!
I only dance to a mono beat.. mono! I only dance to a mono beat
..

If I'm going to, you know, duet, then no, I'm not gonna share y
a!
All I see is all I aim to get, so gimme, boy, if ya care a
Mono beat, mono beat, mono! Mono beat, mono beat, mono!
If I'm going to, you know, duet, it won't be stereophonic!

You're tapping that, too? You're spreading it thin
Love is the one thing you haven't been in
That isn't me, no, it's gotta be real, or underwhelmed is the w
ay that I feel.

I only dance to a mono beat.. mono! I only dance to a mono beat
.. mono!
I only dance to a mono beat.. mono! I only dance to a mono beat
..

If I'm going to, you know, duet, then no, I'm not gonna share y
a!
All I see is all I aim to get, so gimme, boy, if ya care a
Mono beat, mono beat, mono! Mono beat, mono beat, mono!
If I'm going to, you know, duet, it won't be stereophonic!

I want it one, I want it one, I want it one on one, not two.
I want it one, I want it one... Dance to a mono... I want it on
e on one with you.

I only dance to a mono beat.. mono! I only dance to a mono beat
.. mono!
I only dance to a mono beat.. mono! I only dance to a mono beat
.. mono!

If I'm going to, you know, duet, then no, I'm not gonna share y
a!
All I see is all I aim to get, so gimme, boy, if ya care a
Mono beat, mono beat, mono! Mono beat, mono beat, mono!
If I'm going to, you know, duet, it won't be stereophonic!
