

# Can't Go to Bed Mad

Montell Jordan

I walk in after a long day  
Thinking Ima spend time with you  
You've been feeling some kinda way  
This ain't gon' be the night I pictured  
I don't wanna fuss or fight  
Wanna figure out what's wrong  
So we can make it right  
Take the gloves off  
Let your guard down  
And if it takes all night

Can't go to bed mad  
We made a promise, it's something we said we wouldn't do  
Can't go to bed mad  
I'll do whatever it takes, to be back in my place by you  
Baby we should just make up  
Cause if we're fighting we can't make love  
I'd rather do that  
Than go to bed mad  
Mad

So what can I say?  
So you don't have to feel this way  
You can blame it on me girl whatever  
We not taking this into the next day  
I don't wanna fuss or fight  
Wanna figure out what's wrong

So we can make it right  
Take the gloves off  
Let your guard down  
And if it takes all night

Can't go to bed mad  
We made a promise, it's something we said we wouldn't do  
Can't go to bed mad  
I'll do whatever it takes, to be back in my place by you  
Baby we should just make up  
Cause if we're fighting we can't make love  
I'd rather do that  
Than go to bed mad  
Mad

Can't go to bed mad  
So what can I say  
Baby!

Can't go to bed mad  
We made a promise, it's something we said we wouldn't do  
Can't go to bed mad  
I'll do whatever it takes, to be back in my place by you  
Baby we should just make up  
Cause if we're fighting we can't make love  
I'd rather do that  
Than go to bed mad  
Mad
