We get blacked out We get blacked out

The truck that I'm rolling (Blacked out) The smoke that I'm blowing (Blacked out) back road, no light, we're (Blacked out) By the end of the night we'll be (Blacked out) The truck that I'm rolling (Blacked out) The smoke that I'm blowing (Blacked out) back road, no light, we're (Blacked out) By the end of the night we'll be (Blacked out)

We get blacked out, blacked out, blacked out, blacked out We get blacked out, blacked out, blacked out, blacked out

Bus all black, truck all black Half that Jack but I won't black out bump that man in black all blacked out in a Cadillac Pull that throttle back said I don't black out from a bottle of Jack so sip that, pass it back hit a bump in the sub when the bass go slap slicker than a I'm a bulldog's jaw tougher than a black out super dude he gonna rock out you talk too slick, boy you get blacked out

The truck that I'm rolling (Blacked out) The smoke that I'm blowing (Blacked out) back road, no light, we're (Blacked out) By the end of the night we'll be (Blacked out) The truck that I'm rolling (Blacked out) The smoke that I'm blowing (Blacked out) back road, no light, we're (Blacked out) By the end of the night we'll be (Blacked out)

We get blacked out, blacked out, blacked out, blacked out We get blacked out, blacked out, blacked out, blacked out

I don't remember yesterday i just know I was on the stage now I'm drifting down that lonely road through another state blacked out from the moment of them screaming fans holding on to me yeah, I was born to play the highway but I never sold my soul I won't stop till I've been in every town I don't know when I'll go home I'm living in the moment you see me on the stage blacked out, blacked out

The truck that I'm rolling (Blacked out) The smoke that I'm blowing (Blacked out) back road, no light, we're (Blacked out) By the end of the night we'll be (Blacked out) The truck that I'm rolling (Blacked out) The smoke that I'm blowing (Blacked out) back road, no light, we're (Blacked out) By the end of the night we'll be (Blacked out)

We get blacked out, blacked out, blacked out, blacked out We get blacked out, blacked out, blacked out, blacked out
