

# Enjoy the Ride

Morcheeba

Shut the gates and sunset  
After that you can't get out  
You can see the bigger picture  
Find out what it's all about  
You're open to the skyline  
You won't want to go back home  
In a garden full of angels  
You will never be alone

But oh the road is long  
The stones that you are walking on  
Have gone

With the moonlight to guide you  
Feel the joy of being alive  
The day that you stop running  
Is the day that you arrive

And the night that you got locked in  
Was the time to decide  
Stop chasing shadows  
Just enjoy the ride

If you close the door to your house  
Don't let anybody in  
It's a room that's full of nothing  
All that underneath your skin  
Face against the window  
You can't watch it fade to grey  
And you'll never catch the fickle wind  
If you choose to stay

But oh the road is long  
The stones that you are walking on  
Have gone

With the moonlight to guide you  
Feel the joy of being alive  
The day that you stop running  
Is the day that you arrive

And the night that you got locked in  
Was the time to decide  
Stop chasing shadows  
Just enjoy the ride

Stop chasing shadows  
Just enjoy the ride
