

## Gained the World

Morcheeba

I heard I lost it on the grapevine  
I must admit I had a great time  
There are words for people like me  
But I don't think there's very many

I've gained the world then lost my soul  
Maybe it's cause I'm getting old  
All the people that I know  
Have gained the world then lost their souls

There's no persuasion that I'm into  
I've made some sense of what we've been through  
We should form a new foundation  
If we could find the right location

Is it pray  
On display  
I'm feeling well

I've gained the world then lost my soul  
Maybe it's cause I'm getting old  
All the people that I know  
Have gained the world then lost their souls  
I've gained the world then lost my soul  
Maybe it's cause I'm getting old  
All the people that I know  
Have gained the world then lost their souls
