Good Girl Down

Roll out the fabric carpet So I can walk Hook up those microphones So I can talk Can be the mayor of the city And clean up all of this mess I'd never be assassinated In my bullet proof vest

You can't keep a good girl down No you can't keep a girl down I've been lost and found No, you can't keep a good girl down

You can't keep a good girl down No you can't keep a girl down I've been lost and Iv'e been found You can't keep a good girl down

I'm taking the corners Driving on two wheels I'm climbing the cliff tops while you're Grabbing my heels

You can't keep a good girl down No you can't keep a girl down I've been lost and found No, you can't keep a good girl down

A round house kick Would leave you dead And i'll take the biggest jug and Smash it over your head

You can't keep a good girl down No you can't keep a good girl down I've been lost and found No, you can't keep a good girl down

You can't keep a good girl down No you can't keep a good girl down I've been lost and I've been found You can't keep a good girl down
