

## Love Is Rare

Morcheeba

You got a rocket in your pocket  
Why can you just let me be  
Have you no eyes in your sockets  
Or are you just pleased to see me  
As you all know  
You better take care  
Treat me with respect  
Because love is rare

As you all know  
You better beware  
Treat me with respect  
Because love is rare  
Love is rare

I got so holy it hurt  
Why was I blessed with this rage  
You rub my face in the dirt  
And there's a time to turn a new page

As you all know  
You better take care  
Treat me with respect  
Because love is rare

As you all know  
( As you all know )  
You better beware  
( You better beware )  
Treat me with respect  
Because love is rare

As you all know  
You better take care  
Treat me with respect  
Because love is rare

As you all know  
You better beware  
Treat me with respect  
Because love is rare

As you all know  
You better take care  
Just take care  
Treat me with respect  
Because  
Love is rare

As you all know  
You better beware  
You better beware  
Treat me with respect  
Because  
Love is rare

As you all know

You better take care  
Treat me with respect  
Because

As you all know  
You better beware  
Treat me with respect  
Because

As you all know  
You better take care  
Treat me with respect  
Because

As you all know  
Don't go rubbin' my face in the dirt  
You better beware  
Treat me with respect  
Because love is rare
