Never An Easy Way

Morcheeba

I think I slip the net, But I cut myself free, I'm not losing yet, So don't forget me.

I'll say it, replay it, and try tomorrow
I'll say it, replay it, and live with sorrow.

You'd think I learn by now, There's never an easy way, I get through somehow, I'm on my knees to pray,

You'd think I learn by now, There's never an easy way, I get through somehow, I'm on my knees.

I'll admit I'm wrong, But I'm getting on track, I've been here too long, I'm under attack.

I place it, replace it, and try to change, I place it, replace it, and rearrange.

You'd think I learn by now, There's never an easy way, I get through somehow, I'm on my knees to pray,

You'd think I learn by now, There's never an easy way, I get through somehow, I'm on my knees to pray.

On my knees to pray.

I think I slip the net, But I cut myself free, I'm not losing yet, So don't forget me.

I'll say it, replay it, and try tomorrow
I'll say it, replay it, and live with sorrow.

You'd think I learn by now, There's never an easy way, I get through somehow, I'm on my knees to pray,

You'd think I learn by now, There's never an easy way, I get through somehow, I'm on my knees to pray, I'm on my knees to pray, On my knees to pray, On my knees to pray.
