

# One Wave Short Of A Shipwreck

More Than a Thousand

IT'S TOO LATE TO STOP  
PUT YOUR ARMS AROUND ME  
NEED YOUR ARMS AROUND ME  
I FALL FOR YOUR LINES  
OH, IT STINGS, IT STINGS, IT STINGS... And you know...

Hold the needle right  
My heaven can wait  
It burns all night  
While I dream awake

Like fire every moment is floating  
It's over flowing and I'm sinking... DOWN!  
Like the earth is crashing down on me  
CAN YOU HEAR ME SCREAM!?

BESIDE HER MY WORLD IS GETTING BLANK  
SHE'S A LIAR... She's a liar...  
AND SUDDENLY ALL MY FRIENDS DISAPPEAR  
SHE'S A LIAR... SHE'S A LIAR!

How far can you get?  
I'm now aware  
Hear the sound... The sound...

Take cover, it's coming over  
It's too late to stop

IT'S TOO LATE TO STOP  
PUT YOUR ARMS AROUND ME  
NEED YOUR ARMS AROUND ME  
I FALL FOR YOUR LINES  
OH, IT STINGS, IT STINGS, IT STINGS... And you know...

HOLD THE NEEDLE RIGHT  
My heaven can wait  
IT BURNS ALL NIGHT  
While I dream awake

BESIDE HER MY WORLD IS GETTING BLANK  
SHE'S A LIAR... She's a liar...  
And suddenly all my friends DISAPPEAR  
SHE'S A LIAR... SHE'S A LIAR!

How far can you get?  
I'm now aware  
Hear the sound... The sound...

Take cover, it's coming over  
It's too late to stop this now  
Take cover, it's coming over  
It's too late to stop this now  
Stop this now... ( Take cover... Take cover... )  
Stop this... NOW! ( Take cover... Take cover... )

Beside her my world is getting blank  
She's a liar... SHE'S A LIAR!

( Hear the sound... )  
( I'm leaving... Tonight... )

This is the moment that I leave you in here ( Hear the  
sound... )

This is the moment that I leave you in here

This is the moment that I leave you in... ( I'm leaving...  
Tonight... )

Hear the sound, hear the sound, hear the sound

This is the moment that I leave you... GOODBYE!
