

# Dancing in the Moonlight

Morgan Heritage

Yeah mon  
Morgan Heritage you know  
Under the beautiful moonlight  
Oh oh oh oh  
Consciously walking on the beach  
Oh oh oh oh  
Under the moonlight

Why we gotta make everything so complicated  
Life was never meant to be that way yeah  
Before it's too late, before we get too jaded  
Baby we should take some time and play yeah

We'll go dancing in the moonlight  
All nightlong  
We'll go dancing in the moonlight  
Till the break of dawn  
Forget your worries and your troubles  
Leave them all behind  
We'll go dancing in the moonlight  
Make you feel all right

Trying to make the best of a situation  
Caught up in a game that you may not win  
Playing by the rules with a little hesitation yeah  
The best things in life don't cost a thing oh

We'll go dancing in the moonlight  
All nightlong  
We'll go dancing in the moonlight  
Till the break of dawn  
Forget your worries and your troubles  
Leave them all behind  
We'll go dancing in the moonlight  
Make you feel all right

Yeah yeah  
A warm wind is blowing through the night  
Blowing  
Under the veil of the star lit sky  
Star lit sky  
Come dance with me and we'll take flight  
Oh we'll take flight  
Here in the moonlight oh

Eh  
Yeah  
Dancing in the moonlight  
Dancing in the moonlight  
Yeah  
Oh my oh my my  
Oh my my my my my my  
Oh my oh my my  
Oh my my

We'll go dancing in the moonlight  
All nightlong

We'll go dancing in the moonlight  
Till the break of dawn  
Forget your worries and your troubles  
Leave them all behind  
We'll go dancing in the moonlight  
Make you feel all right

We'll go dancing in the moonlight  
All nightlong  
We'll go dancing in the moonlight  
Till the break of dawn  
Forget your worries and your troubles  
Leave them all behind  
We'll go dancing in the moonlight  
Make you feel all right

Oh my oh my my  
Oh my my my my my my  
Oh my oh my my
