

Give It to Me

Morgan Heritage

Oh Mommy
Oh Mommy

Hola senorita, morena
Got me thinking bout Latin America
Yes Ms. Jamaica, Ms. Bahamas
Got me thinking bout all of the Caribbean too
The way you make your body move
No other does it better than you
I'm so in love with what you do

The way you wine and dip it low
Turn it around and flip it so
Wine and dip it low
Turn it around and flip it so
Get it mama, mama
Give it to me all night long
Give it to me all night long
Keep it locked to the rhythm
Give it to me, give it to me, give it to me

From Africa to Espana
Puerto Rico, Miami to Ibiza
Di whole ah Scandinavia to Romania
Di whole ah dem ah dance like dem come from jam down ooh
Di whole world loves the way you move
And when you start to let loose
Your body locks right in the groove

The way you wine and dip it low
Turn it around and flip it so
Wine and dip it low
Turn it around and flip it so
Get it mama, mama
Give it to me all night long
Give it to me all night long
Gimmi all night long
Give it to me all night long
Gimmi all night long
Give it to me all night long
Keep it locked to the rhythm
Give it to me, give it to me, give it to me

Wine and dip it low
Turn it around and flip it so
Wine and dip it low
Turn it around and flip it so
Get it mama, mama
Give it to me all night long
Give it to me all night long
Gimmi all night long
Give it to me all night long
Gimmi all night long
Give it to me all night long
Keep it locked to the rhythm
Give it to me, give it to me, give it to me
