I tried to call you on FaceTime
But the WiFi
Was really bad
Now I can't see your face
That made me really sad
Could we send longer texts with few more words
Let me know what's going on in your world
While I'm half a world away

I wish you could see
These pretty city lights
I wish you were here
So I could hold you tight
Then you would know
How much I love you so
But for now, I'm far away from home
But for now, we're far away from home

Big up Justice, Eshe, Poupsy and Gembi
KB, Mr. Big and Big Bambi
Can't forget my Baab and my Pinksy
Oh Jah bless my Ely
I say I love you so
And that much I man know
Your love will guide I home
Every tear I cry for you
In my heart there's no more room
Your love consumes me

Wish they could see
These pretty city lights
Wish they were here
So I could hold them tight
Then they would know
How much I love them so
But for now I'm far away from home
Said I Wish you could see
These pretty city lights
I wish you were here
So I could hold you tight
Then you would know
How much I love you so
But for now I'm far away from home
But for now I'm far away from home
But for now I'm far away from home
But for now I'm far away from home
