

# I'm Still The Same

Morgan Heritage

Oh no...

I can't have it no (I can't have it no)

I can't have it no

No, no, no, no, no

Yo, if it wasn't for my name

Wasn't for the fame

Would you wanna be my main, squeeze baby?

If it wasn't for the hype

Would you have the time

To have an interest in my life?

I don't think so baby

If it wasn't for the diamonds and the pearls (diamonds and pearls)

Would you wanna share my world? (my world?)

You need not say a word

Here's some questions for your mind (for your mind)

Do you love Rastafari?

Or even Rasta for your life?

'Cause if it's all about the hype, girl

I can't have you in my life

'Cause I'm that same roots Rastaman yaw

You didn't want in your world (ain't a thing changed)

Remember you told me before

I'd never come to nothing else (never)

I never change my lifestyle at all

Still yet I've seen the world (my eyes have seen)

So tell me why should I give you all

And have you as my one and only girl? yeah

I never changed (I never changed)

I'm still the same (I'm still the same)

Oh baby, baby, baby, yeah yeah

There was a time my heart was yearning for you to be in my life

Baby your the only girl I tried to be with more than twice

Now tell me why all of a sudden

That I'm the only man you wantin'?

Even now because there's fame to my name

Doesn't mean I've changed

Do you love Rastafari?

Or even Rasta for your life?

'Cause if it's all about the hype

I can't have you in my life

'Cause I'm that same roots Rastaman yaw

So now you say you got some value for Mr. Mo

Stick a bit for a minute

Yes, I wonder if you know  
That I'm the same Rastaman you didn't want before  
Givin' you the vybz that you think only ya can bring  
Yeah, yo life's a bling, what you think is in?  
No trick or no treats, no paint no picture for my bling and  
And do some special things that you would present  
Send me on that long flight 'cause the love is  
Now ain't that a be  
The way you show yourself  
[?] seems like I was not the thing  
Take some time to see  
That there's some things in life that must come around for sure

Girl you never wanted me  
You never rated me  
So how could you ever love me?  
I could you let this be

'Cause I'm that same roots Rastaman yaw
