Morgan Heritage

Well, I'm Catherine Morgan  
And I'm the next-door neighbor to the Gotee's  
And uh, the Gotee's were over there  
And they had a drummer that came in here  
To play the drums that day  
And he played it early in the mornin', and he played it  
I had him for breakfast, and for lunch, and for dinner  
So I hollered at Todd and told him

That I couldn't stand that drummer any longer  
That he was driving my crazy  
And Kevin spoke up and said, "Mrs. Morgan," says, "that's a live drummer  
We've got over there today"  
And I said, "If he hits the drum one more time  
He's gone be a dead drummer"  
And that was the last I heard of the drummer that day
