Rastaman chant woy, wooy chant woy  
Fi liberation woy, wooy chant woy woy  
Rastaman chant woy, wooy chant woy

Yo check this out  
Ey yo a vision came to me about the liberation of the rastaman  
seeds  
And the truth is we can't really be what we really want to be  
Being held back by your own country  
As I was told its best never to take a lesson under this heavy  
stress  
Because if I get the lower hand  
And you get the upper hand  
Tell me what the chances are of me  
Getting the chance to become the leader I was born to be  
Systematically its a one in a million chance you see
