Loyalty

Loyalty goes a long way

Look how long me and mi brethren ah par  
Now me cyaan believe me cyaan trust him at all  
JAH reveal to I seh di brethren nuh know nothing bout loyalty (nothing bout loyalty)  
Now true ah next ones come promise him diamond and gold  
Him sell out him brethren and gone corrupt him soul  
Beware of you call you friend cause some nah know loyalty

Ah long time we ah trod JAH JAH road together  
Never thought would get deceive by mi breddah  
I was blind never behold no sign  
Me seh me trust mi brethren all with me life yeah  
Wah kind of something this  
Wah kind of living this  
Me cyaan believe ah suh me left myself careless  
Me mama always tell me seh beware of the friend you keep yeah yeah

Look how long me and mi brethren ah par  
Now me cyaan believe me cyaan trust him at all  
JAH reveal to I seh di brethren nuh know nothing bout loyalty (loyalty)  
Now true ah next ones come promise him diamond and gold  
Him sell out him brethren and gone corrupt him soul  
Beware of you call you friend cause some nah know loyalty

Now all this time I thought everything was fine  
Only to find out so much was hidden inside  
I'd go to war anytime for my friend  
Defend our friendship till the very end yeah  
Always thought we could over come everything

Look how long me and mi brethren ah par  
Now me cyaan believe me cyaan trust him at all  
JAH reveal to I seh di brethren nuh know nothing bout loyalty (nothing bout loyalty)  
Now true ah next ones come promise him diamond and gold  
Him sell out him brethren and gone corrupt him soul  
Beware of you call you friend cause some nah know loyalty

This life lesson come teach I (teach I)  
Be mindful who you tend fi trust in life yeah  
Because deceivers won't reveal them plan  
Before you know it your standing on sinking sand (yeah)  
When you think its peace and safety yeah  
Ah sudden destruction  
So when you walk in life always keep an open eye  
For those who you'll never expect to betray loyalty  
Yeah beware yeah  
So you'll never lose your way  
Never no (never no, no, no, no)

Look how long me and mi brethren ah par  
Now me cyaan believe me cyaan trust him at all  
JAH reveal to I seh di brethren nuh know nothing bout loyalty (nothing bout loyalty)

Now true ah next ones come promise him diamond and gold  
Him sell out him brethren and gone corrupt him soul  
Beware of you call you friend cause some nah know loyalty

Them no know everything's gonna be alright
