

Pineapple Wine

Morgan Heritage

Yeah man
Sweet, sweet pineapple wine

Oh, she was a wahini
Rocking a bikini
Blocking my vacay rays
I was just a yardi
Kicking it in Maui
Digging my new found shades

Oh, my paradise

Sipping on sunshine
Sugarcane good times
That was my aloha goodbye
I can still taste it
Barefoot and wasted
Coconut kisses
The kahlua kind
Two parts magic
Man I gotta have it
Throw in a little love and sublime
Sipping on sunshine
Sugarcane good times
Oh my, oh my, my
Pineapple wine

Oh, oh, oh my my
Pineapple wine
(Yeah man)
Oh (yeah man) oh
Yeah, yeah

Waves started crashing
On white sands of passion
Everything stood still that day
Under trees full of flowers
We laid there for hours
As petals fell down like the rain

Oh, my paradise

Sipping on sunshine
Sugarcane good times
That was my aloha goodbye
I can still taste it
Barefoot and wasted
Coconut kisses
The kahlua kind
Two parts magic
Man I gotta have it
Throw in a little love and sublime
Sipping on sunshine
Sugarcane good times
Oh my, oh my, my
Pineapple wine

(Yeah man)
Oh, oh (Nice) oh my my
Pineapple wine
(Pineapple wine)
Oh, oh, yeah

Everybody wants to love somebody
Everybody wants to have some fun
Everybody wants to love somebody
Under the Hawaiian sun (Yeah man)
