

Protect Us Jah

Morgan Heritage

Seeds of humanity
Why can't we love each man equally?
No matter the race, color or creed
Let's take a look in the mirror I say
And find our own simple ways
That man without sin let him come judge me
While I ask

What is this world coming too?
Ah, Jah guide us through
Oh, and violence at its peak
Protect us Jah please

So quick to judge our brothers home
Still can't find our own for so long
Won't stand till peace up change the land
Surrounded by robbers and thieves
Murderers with no mercy
A world of sin is what we're living in

What is this world coming too?
Ah, Jah guide us through
Oh, and violence at its peak
Protect us Jah please
[x2]

God, oh God, we're calling all thee...

Oh Jah...

The wrath of Jah I do fear
So when living na life let's beware
We can't dwell in sin like we don't care
Let's take a look in the mirror I say
And find our own simple ways
That man without sin let him come judge me
While I ask

What is this world coming too?
Ah, Jah guide us through
Oh, and violence at its peak
Protect us Jah please
[x2]

So quick to judge our brothers home
Still can't find our own for so long
Won't stand till peace up change the land
Surrounded by robbers and thieves
Murderers with no mercy...
