

# Ready for Love

Morgan Heritage

Oh yeah  
Oh my  
Oh, oh  
Turn the lights down low  
Let's light some candles  
Coming through the window we got the moonlight  
Sure you right

Now are you ready for love?  
All nightlong  
Are you ready for love?  
Just say oui oui  
Are you ready for love?  
I know you feel me  
Are you ready for love?  
Just say oui oui

The feelings in the air  
We can do it anywhere  
No rules ain't shy no fear  
We ain't on the clock we can take our time  
And do it right  
Love ain't got no boundaries  
So you can receive or ride me  
You've got all my attention  
So are you ready, baby are you ready?

For me to touch you in the places that you like?  
For me to kiss you right through the night?  
And feel the love all over let loving take us over

Now are you ready for love?  
All nightlong  
Are you ready for love?  
Just say oui oui  
Are you ready for love?  
I know you feel me  
Are you ready for love?  
Just say oui oui

Girl, all I wanna do is give you loving each and every day  
Wanna put it on you how you liking each and every way  
You the only gyal I need is all I'm really trying to say  
All I wanna do girl is give you my heart and soul  
Let me know if you like that  
Girl I must say you got a hold  
Mommy let me hold you right back

Oh baby I don't ever plan to make you feel upset  
Wanna love you up and treat you with so much respect  
I wouldn't change a thing even though we are not perfect  
But it nuh matter cause you still worth it

Now are you ready for love?  
All nightlong  
Are you ready for love?  
Just say oui oui

Are you ready for love?  
I know you feel me  
Are you ready for love?  
Just say oui oui
