

## Ready or Not

Morgan Heritage

Ear the calling in the one in  
To leave them a principle message  
Everyman:  
Rise up everybody get ready to work  
Rise up everybody get ready to work  
Rise up everybody get ready to work  
Rise up everybody get ready to work  
Rise up everybody get ready to work  
Every one's got so much to say  
Still no one wants to lead the way  
For the people to rise and revolutionize the day

See, we're the real revolutionaries  
Come to help you as above poverty  
Listen to the sounds of heritage and get ready to work  
Every man:  
Rise up everybody ready to work  
Rise up everybody ready to work  
Rise up everybody ready to work  
Rise up everybody ready to work  
I got visions of everymen working in one unity
