

Whispering Voices

Morifade

For many years now I have been told
That I will pay for all my sins
But I don't know what, what I have done
Can someone tell me what I've done wrong

Trapped in a dungeon, chained to the bones
The walls are closing, surrounding me
My heart is hollow, filled with despair
Ooh hear my pleading, please hear my prayer

The voices in my mind
Please take this pain away

In times of darkness
I am scared to close my eyes
I'm scared to falling into sleep
My mind is tumbled
By the memories of my past
Can someone help me, save my soul?

I feel he's close now I feel him breathe
Can sense the fear Can sense the pain
This is my doomsday This is my end
My life is over, was it all in vain?
