

## Don't Let Go

Moroder Giorgio

There's a fire, there's a fire, there's a fire and I'm wild  
And it yearns and it rolls like a tide, sweet undertow  
And we burn, and we burn, and we burn to the ground  
Every bridge, every road, that we'd found  
We've no way home

I feel the pressure coming down on me  
The only question:  
Can there be harmony without a lesson?  
Without losing control?

Don't let go, it's time for us to finally see  
We can't stop 'til our minds are free  
There, we're hangin' by a thread of hope  
Don't let go, my sisters and my brothers weep  
Don't have to read the signs to see  
That blood on the leaves that you sat on  
Don't let go

There's a cage, there's a cage, there's a cage with no key  
Like a stranger who's locked in a dream with no way out, hm  
So we wait, and we wait, and we wait for so long  
We forget that we severed a song  
We used to sing

I feel the pressure coming down on me  
The only question:  
Can there be harmony without a lesson?  
Without losing control?

Don't let go, it's time for us to finally see  
We can't stop 'til our minds are free  
There, we're hangin' by a thread of hope  
Don't let go, my sisters and my brothers weep  
Don't have to read the signs to see  
That blood on the leaves that you sat on  
Don't let go  
Don't let go, it's time for us to finally see  
We can't stop 'til our minds are free  
There, we're hangin' by a thread of hope  
Don't let go, my sisters and my brothers weep  
Don't have to read the signs to see  
That blood on the leaves that you sat on  
Don't let go
