

## Dying Remains

Morta Skuld

Open arms deceive us  
Impure thoughts inbreed  
Prevails the silence  
Of suffocation

For many years  
Emotions run deep  
Decaying flesh  
Of innocence

Punishment for our wrong  
Inward legendary pain  
Weeping souls to fail  
Eternal

Open arms deceive us  
Impure thoughts inbreed  
Breeding deception  
To forgive is to die... to die
