

## Flesheaters

## Mortician

Starved and tortured  
Trapped in torment  
Need to survive  
Eat flesh or die

Insane nightmares  
Visions of death  
Craving for flesh  
Cannibals curse

Eating raw meat  
Human flesh feast  
Drinking the blood  
Of the fresh corpse

Plague is spreading  
Death and killing  
Warm blood they need  
Your flesh to eat
