

## Return To The Grave

**Mortician**

Years have passed relentless killing  
Piles of broken bleeding victims  
Gruesome sight of walking decay  
Soon to be returned to the grave

Hunting for fresh blood  
The quest is now done  
Ends the flesh hunger  
Blood craving over

Enter to the cemetery  
Walk among the rotting bodies  
Bony fingers clawing the earth  
It is time the corpse must now rest

Enter the grave  
Lie in decay  
Waiting dormant  
For the return
