

# Bleed Like You

Mortiis

As I Descend Into What Is Left Of Me  
I Have To Fix Up My Soul So I Can Learn To See

The More I Bleed I Never Bled Like You  
The More You Bleed You Never Bled Like Me  
But The More I Change The More I Stay The Same  
I Need To Cut These Ties  
I Need To Bleed These Lies

I Wanna Hurt Myself Just To Remind Me  
Where I Used To Be Where You've Always Been

The More I Bleed I Never Bled Like You  
The More You Bleed You Never Bled Like Me  
But The More I Change The More I Stay The Same  
I Need To Cut These Ties  
I Need To Bleed These Lies

I Wanna Hurt Myself So I Can Bleed Like You  
I Left Your Shit Behind You're Stuck I Made It Through

The More I Bleed I Never Bled Like You  
The More You Bleed You Never Bled Like Me  
But The More I Change The More I Stay The Same  
I Need To Cut These Ties  
I Need To Bleed These Lies

I Never Bleed Like You  
I Never Bled Like You  
I Never Bleed Like You  
I Never Bled Like You
