

The Shining Lamp of God

Mortiis

I'll Say Anything I Think You Wanna Hear Me Say
I Think Everything I Feel Is True So Long As I Reach Through
All These Years With Nothing To Say I Said It Anyway

I'll Do Anything I Think You Might Want Me To Do
I Think Everything I Do Is True As long As I Reach Through

How Can Someone Be So Lost Show Me Out I'll Pay The Cost
I Need A Cane I Need a Rod I need The Shining Lamp Of God
How Can Someone Feel So Much Why Am I So Out Of Touch
I Need A Cane I Need a Rod I need The Shining Lamp Of God

Oh You Wanna Taste It All But Where Will You Be When I Fall?
Oh You Think You're Something New But I Know You Oh I Know You
Where Does All This Pain Come From? I Look Around To Blame Some
one
You'll Be Here With Everyone But Will You Be Here When They've
Gone?
All You Do Is Fake The Game And I hate You And I Hate You

How Can Someone Be So Lost Show Me Out I'll Pay The Cost
I Need A Cane I Need a Rod I need The Shining Lamp Of God
How Can Someone Feel So Much Why Am I So Out Of Touch
I Need A Cane I Need a Rod I need The Shining Lamp Of God

How Can Someone Be So Lost Show Me Out I'll Pay The Cost
I Need A Cane I Need a Rod I need The Shining Lamp Of God
How Can Someone Feel So Much Why Am I So Out Of Touch
I Need A Cane I Need a Rod I need The Shining Lamp Of God
