

Mumblin'

Moses Sumney

I see you here all of the time
You never come to me while feelings lie
Oh, why do you wanna be my girl?
Oh, why do you wanna be my girl?

I used to call you by name
You always feel the same
Oh, why do you wanna be?
Oh, why do you wanna be?

I see you here all of the time
You're wearing that french bread up to that spine
Why do you call me? But I...
Oh, I thought you'd be releasing

Oh, why do you come here so much?
Oh, I used to love you so much
Oh, why do you come here so much?
Oh, I used to love you so much
