Oh Ana

Mother Mother

I'll be god I'll be god I'll be god I'll be god, today Hold my head under that bath and breathe away Slit my wrists and watch that blood evaporate Being this godly can't be good for Ana's safety Ana hear me I'll play god I'll play god I'll play god I'll play god, today Ante up and play that god a poker game Walk away with all our little god's spare change Playing this god it can't be good for Ana's safety, Ana hear me Oh, Ana, I'll be with you still You are the angel that I couldn't kill I'll fake god I'll fake god I'll fake god I'll fake god today Hop up on a cloud and watch the world decay Ana on my shoulders and we'll laugh away Faking this god it can't be good for Ana's safety, Ana hear me, Ana baby, I'm not crazy Oh Ana, I'll be with you still You are the angel that I couldn't kill

Oh, Ana
