God was never on your side - Motorhead

Em **D**
If the stars, fall down on me,
Am **Em**
And the sun, refused to shine
Em **D**
Then may the shackles be undone,
Am **Em**
May all the old words cease to rhyme
Em **D**
If the sky, turned into stone,
Am **Em**
It would matter not at all
Em **D**
For there is no heaven, in the sky,
Am
Hell does not wait, for our downfall

C **G**
Let the voice of reason shine,
Am **Em**
Let the pious vanish, for all time,
C **G**
God's face is hidden, all unseen,
Am **Em**
You can't ask him what it all means
C **G**
He was never on your side,
Am **Em**
God was never on your side,
C **G**
Let right or wrong alone decide
Am
God was never on your side.

Em **D**
See ten thousand ministries,
Am **Em**
See the holy righteous dogs
Em **D**
They claim to heal, but all they do is steal,
Am **Em**
Abuse your faith, cheat, and rob
Em **D**
If God is wise, why is he still,
Am **Em**
When these false prophets, call him friend
Em **D**
Why is he silent, is he blind?
Am
Are we abandoned, in the end?

C **G**
Let the sword of reason shine,
Am **Em**
Let us be free of prayer and shrine

C **G**
God's face is hidden, turned away,
Am **Em**
He never has a word to say
C **G**
He was never on your side,
Am **Em**
God was never on your side
C **G**
Let right or wrong, alone decide,
Am **Em**
God was never on your side
Em
No, No, No.

C **G**
He was never on your side,
Am **Em**
God was never on your side
C **G**
Never! Never! Never! Never!
Am
Never on your side! Never on your side!
C **G**
God was never on your side,
Am **Em**
Never on your side
