

Salvation

Motograter

Emancipation
I have no advocates
No sovereignty
I can fend for myself
No need for your beliefs

Salvation
Is a lie
No redemption
For mankind

You talk of liberation
Preservation from my sins
Have faith in absolution
Afraid to question sense

Salvation
Is a lie
No redemption
For mankind

So where is your god
As we wither away
Hope lies in nothing
LIVE SUFFER DIE

It's only seconds away
It's only six feet deep

Salvation
Is a lie
No redemption
For mankind
Salvation
Is a lie
Say your prayers
Goodbye
