

August

Motorpsycho

I said August is all that I know
It's with me where ever I go
It's with me when I need a friend
It brings me good weather
It keeps me together
It picks me up when I'm down
Good evenings, I love you, I do

I'll share all my dinings with you
But I can't help from wondering why?
You are so good to me
You do good things for me
You pick me up when I'm down
