

Bedroom Eyes

Motorpsycho

And so it ends, and so it will be
it's over now, and she is free
and we who saw and couldn't believe
are justified and relieved
bedroom eyes

We missed her ways and the way she felt
to be around and to know
grew so transparent that in the end
we only saw the shadow
of her bedroom eyes
and how they hypnotized

Her murky waters still look clear
and from the surface still untouched
eyes deceive and so do hearts
and decency keeps the image retouched
all we see is bedroom eyes
hypnotized
by bedroom eyes
