

## Midnight Lady

Mott the Hoople

Well I went down to the bunny station  
Cause I wanted love for a week or two  
I wanted you on a week vacation  
Cause its costing me but its killing you

NaNa Naaa NaNa  
NaNa Naaa NaNa  
NaNa Naaa NaNa NaNa Naa  
Alright

Well I got a friend in the fire department  
He was telling me I'm on the road to Rome  
He said you'd better find out where you're going  
Cause your wife can't fight out all the fires alone

NaNa Naaa NaNa  
NaNa Naaa NaNa  
NaNa Naaa NaNa NaNa Naa  
Hit me

Well we passed the time in there but we got thrown out  
It was falling down and it was overgrown  
He said I can see you now ask the captain  
He says boy you're really on the road to Rome

NaNa Naaa NaNa  
NaNa Naaa NaNa  
NaNa Naaa NaNa NaNa Naa
