You better look  
around your world.  
And there is nothing going on...  
I mean, nothing normal  
is going on.  
HAPPY UNBIRTHDAY!

HAPPY UNBIRTHDAY!!!!  
Sometimes I realize.  
We're all surrounded  
by quite fake things.  
So I see another world  
inside my mind and  
it's so much more real.
