

# Hard To Break The Seal

**Moya Brennan**

Hard to break the seal  
So hard to lose we feel

Shake the sacred side we keep  
Open future ways

Show me your love

Climb the road to faith  
We move with love not hate  
Build the bridge across this land  
Time to dust away

Show me your love

Wise to understand  
Be wise to give your hand  
Sing and pray in unison  
Sing your name today

Show me your love
