Mama D.

Mr. Big

```
Mama D.
Has a way of fixing the hole
Where the water runs out my soul
When you sing with me
Save me, Mama D.
Mama D. wears a dark brown coat in the sun
The light in her eyes burns so strong
And the melody
Heals me Mama D.
Set me free, Mama D.
She won't bring you down
If you're shit outta luck
She can't live it down
Might as well live it up
Mama D.
Has a way of seeing the truth
Through a lie or just an excuse
Or a tragedy
Show me, Mama D.
Whatcha see, Mama D.
She won't bring you down
If you're shit outta luck
She can't live it down
Might as well live it up
```
