

Anarchy Up Your Anus

Mr. Bungle

Onslaught of destruction and affliction
Pains victims of this addiction
Poser population is increasing
Real life thrash is not ceasing

Closed minds fuck with my head
I won't give in till I'm dead
Try to change my hates to my likes
I will never wear make up or spikes

Stay away, you Mötley Crüe
And I will stay away from you
Better keep it to yourself
Or I will thrash your metal health

Anarchy up your anus
Anarchy up your butt
Anarchy up your anus
