

Can't Forget You

Mr Hudson

They say
The time's supposed to heal all wounds
How's that going for you
Maybe I watch a film or play some tunes
That's what I usually do
Then I hide in a bottle
I hide in a bottle
I can hide in the crowd
I hide in a bottle (I hide in a bottle)

All of the things that you said
I know I can forgive
But I can't...
I can't forget you
I can't forget you
I can't forget you
I can't forget you

I know I've been
Below and locked me phone for days
At least you know I care
I suppose did I just be to see your face
So why you'd give me in
You make me hide in a bottle yeah
I hide in a bottle
Hide in the crowd
Hide in a bottle (I hide in a bottle)

All of the things that you said
I know I can forgive
But I can't...
I can't forget you
I can't forget you
I can't forget you

When the things get cool
When does it get better
I can't forget you
When does it get cool
When does it get better

How hard I try (I can't forget you)
You ruin my life
How hard I try (I can't forget you)
You ruin my life

I can't forget you
I can't forget you
I can't forget you
When the things get cool
When does it get better (I can't forget you)
When does it get cool
When does it get better
I can't forget you
I can't forget you
I can't forget you
