

# Slept on Me

Mr Hudson

You told me it's over, that's what you said  
So why did you call trying to get back into my head?  
You're not even sober you're slurring your words  
So why don't you call your BFF and tell it to her?

I'm hanging up  
You're hanging on  
I'm good I'm good I'm great  
You're too many weeks too late  
I've had enough  
I'm already gone  
I'm good I'm good I'm great  
You're too late

So why you blowing up my phone?  
Stop tryna text me  
It's 4 o'clock in the morning  
And I'm trying to sleep  
So why don't you leave me alone?  
I hate it when you test me  
It's 4 o'clock in the morning  
And I'm trying to sleep  
But you already slept on me  
You already slept on me  
You already slept on me  
Yeah you already slept on me

I'm waiting for someone, I'll be looking around  
Someone to chase the regrettable taste that you left in my mouth  
It won't make me happy but it will be fun, yeah  
You made your bed said what you said. Table for one

I'm hanging up  
You're clinging on  
I'm good I'm good I'm great  
You're too many weeks too late  
I've had enough  
I'm already gone  
I'm good I'm good I'm great  
You're too late

So why you blowing up my phone?  
Stop tryna text me  
It's 4 o'clock in the morning  
And I'm trying to sleep  
So why don't you leave me alone?  
I hate it when you test me  
It's 4 o'clock in the morning  
And I'm trying to sleep  
But you already slept on me  
You already slept on me  
You already slept on me  
You already slept on me
