

# The Champ Is Here Freestyle

Ms. Jade

(feat. Funk Flex)

[Ms. Jade (Funk Flex)]  
(What up baby?)  
The champ is here  
Uh, the champ is here  
Ms. Jade, the champ is here  
Funk Flex, here she comes  
Beat Club, here she comes  
215 Philly shit  
Here she come, here she come

When the truck pull up, and a broad hope out  
Every time I go to spit, nigga raw pop out  
Tell me what's that 'bout, Ms. Jade the magnificent  
If you don't believe then you must be sniffin' shit  
I leave rappers in a frenzy, mind boggled  
Numb the pain, say fuck it and hit the wine bottle  
I'm tryna tell you I'm a problem chick  
And if you know a bitch sicker, go and find the chick  
I got the toaster, ready to approach the game  
It's kinda crowded but I'm settin' off the open flame  
These chicks happy 'bout Baby Vuitton bags and rented Jags  
Niggas is noodles, I twist the L and take a drag  
It's evident that I'm needed very badly  
Many a record labels now wishing that they had me  
Thou shalt not fuck wit Ms. Jade  
Or may face a thousand deaths from old thugs with new slugs  
Broad rap hard like I'm one of the best  
Flows sick, you can feel a beat all in ya chest  
Yes it's something fit and uncut, ya better buckle up  
Drink plenty water, get a lot of rest and suck it up

Uh yea, the champ is here  
Uh-huh, Ms. Jade, the champ is here  
The champ is here, Beat Club  
Known to beat thugs, the champ is here  
The Beat Club, the champ is here  
The champ is here  
The champ is here  
The champ is here  
The muh'fuckin' champ is here  
Hey Flex, the champ is here  
The champ is here  
The muh'fuckin' champ is here  
The champ is here  
Uh uh uh it's over
