

# Hope

Mudcrutch

You gimme hope  
You give me violins  
You set me free  
You forgive my sins

And one day I'll  
Pay you back  
For showing me  
The world ain't black

You give me hope  
You let me even out  
Without tryin'  
You take away my doubt

I know, I gotta friend  
When I'm lost in the wind

Yeah!...  
(Alright)...

You give me hope  
That there's another side  
You give me dreams  
You gimme back my pride

One day I'll  
Pay you back  
For showing me  
The world ain't black

Yeah!  
You gimme hope  
Yeah!  
You gimme hope  
And I need it  
Oh, and I need it  
You gimme hope  
You gimme hope  
Aargh!
